**Occasionally a HOMEROOM is needed to pass out documents, surveys, etc. On those particular days we will begin the day in Homeroom at 8:00am. In general a homeroom should only last 15-20 minutes, then we will proceed to first block. If a homeroom lasts longer than 15-20 minutes, we will then divide the remaining time between 1st and 2nd blocks and teachers will receive an e-mail with the adjusted bell schedule for the remainder of the morning period.
